

## Lifting Leaders Up When Things are Down (1 hr format)

### OVERVIEW:

In a times of uncertainty and mounting pressures for profitability, stability, and growth, leaders in all positions are stressed, stalled, and stale.

Known as a CONTENT speaker rather than a motivational speaker, Vince brings his wit and practical ways for re-energizing and staying on top. It's lonely at the top and no one understands the strain unless they've been there or are there.

### OBJECTIVES:

- Contrast opportunities from distractions
- Re-evaluate priorities for surviving and thriving
- Organize your day to allow for unexpected fires
- Justify your next management decisions beyond just a 'gut feel' by utilizing REACH Strategy Modeling Tool<sup>®</sup>

### AUDIENCE:

Owners, C-Suite, General Managers, Administrators, and Directors.
