

**Your Leadership Response-ability:
*Growth in Times of Chaos, Confusion, and Compromise***
(1 hr format)

OVERVIEW:

Many traits and conditions are attributed to great leadership - the greatest may be resilience. Senior executives will learn how the correct response to external factors will retain and grow teams, clients, and business partners.

Three points Vince presents: Without principles, profits are fleeting - Without trust, scandal will ensue - and Without strategic leverage, sustainability is doubtful.

OBJECTIVES:

- Explain tomorrow's strategies based on today's realities
- Apply proven fundamentals to ensure sustainability during uncertainty
- Distinguish between internal and external control points
- Design an action plan for identifying and achieving this year's go utilizing REACH Strategic Visualization[®]

AUDIENCE:

Owners, C-Suite, General Managers, Administrators, and Directors.
